

Connected Leadership Programme  
**Empowering Women in Leadership**

The Connected Leadership Programme is a transformative experience designed exclusively for senior women leaders in Aotearoa. This initiative provides a unique space to collaborate with peers, tackle real-world challenges, and build the skills necessary to thrive in today's complex leadership landscape.

## What Makes It Unique?

- **Exclusive Peer Group:** Join a small, non-competitive cohort of senior women leaders for in-depth collaboration and support.
- **Tailored Learning:** Focus on real challenges, including strategic acumen, effective board engagement, navigating disruption, and cultural leadership in New Zealand.
- **Expert Facilitation:** Led by experienced CEOs and board directors who guide discussions and create a dynamic learning environment.
- **Flexible Participation:** Attend six in-person workshops.

*"Our programs are designed and led by women who have walked the path, bringing CEO, and governance expertise to deliver real-world, transformative leadership guidance."*

## Programme Benefits

- **Shared Wisdom:** Learn from the diverse perspectives of peers facing similar challenges.
- **Practical Insights:** Develop strategies for effective leadership and governance.
- **Lasting Connections:** Become part of a growing alumni network with access to exclusive events and retreats.
- **Supportive Community:** Engage in rich discussions and gain encouragement from likeminded leaders.

## Key Components

- **Workshops:** Six 4-hour in-person sessions, addressing topics such as strategy, stakeholder engagement, governance and career progression.
- **Peer Clinics:** Solve leadership challenges collaboratively.
- **Resource Library:** Access articles, videos, and tools to complement workshops.
- **Virtual Check-Ins:** Stay accountable and connected between sessions.
- **Private Whatsapp Group:** For ongoing connection, collaboration, and support.

## Investment in Leadership
